

**LUU  
DUC  
ANH**  
.NET Developer

## CAREER SUMMARY

I aspire to leverage my acquired .NET development skills and knowledge from the FPT Software Academy in the role of a .NET Developer at FPT Software. On a personal level, I exhibit a proactive and committed work ethic, facing challenges and hardships without hesitation. I am dedicated to continuous self – improvement and possess a strong enthusiasm for learning.

## PROFESSIONAL PROJECTS

### Car Rental

The objective of the Car Rental project is to create an all-inclusive platform for leasing vehicles to customers. This initiative covers every step of the car rental process, from customer sign-up to vehicle return, with the aim of delivering a smooth and user friendly experience.
